

Left Door

1905 UNION ST. SAN FRANCISCO, CA 94123

About

Left Door is perched above one of San Francisco's oldest saloons, at the corner of Union and Laguna and in the heart of Cow Hollow. As a toast to the city, Left Door invites guests from near and far to come up and have a drink while enjoying some delicious bites. Created by two friends turned business partners in an effort to give customers something lasting and unique. You will be transported to a swanky members only lounge but lucky for you, everyone is welcome here. We can't wait to host you.
